

Using an interactive presentation, our motivational speaker Paul Griffiths delivers an insightful and thought-provoking talk aimed at inspiring us to achieve our dreams, whilst minimising the stress and pressure of every day life. Talks can be delivered to Primary and Secondary pupils as well as school staff.

Outcomes:

- · Achieving a growth mindset
- · Increased focus and motivation
- · Enhanced wellbeing

- Stress reduction before exams
- · Success, purpose and self-belief
- · Positive attitude and ambition

"Paul set Redhill on an emotional journey through which he captured the imagination and heart of every child. He ensured that every child experienced the world outside of their front door. We would recommend Paul to any school that wants to encourage and foster a resilient approach to learning and life."

- Libby Banks, Headteacher, Redhill Primary School
